AMICUS

Champions of Change

An Annual Celebration

INVESTING IN AMICUS

For over 50 years, Volunteers of America Minnesota and Wisconsin's Amicus Services has been helping people successfully re-join their communities following prison sentences as engaged and whole citizens.

Amicus is one of Minnesota's longest standing and most successful mentoring programs and offers a continuum of evidenced-based and trauma-informed support and education for individual's pre-release and leaving incarceration.

Amicus benefits over 2,000 people every year, or nearly a quarter of the women and men released from prison in Minnesota. Among other things, it provides tailormade assistance to meet the specific challenges that result from an encounter with the criminal legal system. This help includes one-on-one mentoring to secure employment and housing, transportation services, referrals to meet mental and physical health needs, access to computers, and other related aid that reduces recidivism, reunites families, and helps build safe, strong, and healthy communities.

IN-PERSON EVENT - APRIL 18, 2024

Please join us at Westminster Presbyterian Church (downtown Minneapolis) from 4:30PM-6:00PM for an inspiring celebration showcasing how community can be a healing force in our criminal legal system.

We invite you to help us share stories of healing through support, connection, and second chances. **The event is open to everyone, so please invite your friends and colleagues!**

YOUR INVITATION

Sponsoring the Amicus Champions of Change celebration provides an opportunity for you and your organization to help people seeking second chances have what they need to build a stable life and raises your visibility as an invested, caring community partner.
