**VOA High School has a HYBRID Schedule!**

*This means students attend in-person classes on Monday, Tuesday, Wednesday, and Thursday, and have an asynchronous class day on Friday*

**HOW can students be successful on asynchronous days?**

- New students attend orientation to learn about student supports, digital tools, and the class schedule. Already enrolled students visit their Focus Google Classroom to learn about supports, digital tools and how to connect with technology support at VOA.
- Communicate right away with your class teachers via phone, text or Google Meets, if you need additional support or have questions
- **Complete class assignments independently on Friday on your own timeline. You will be marked present for working on or completing your assignments for each class.**
- Notify a teacher right away if your laptop or internet is not working
- Call the school office if you will not be at school Mon-Thurs or unable to work on asynchronous assignments on Fridays

**I understand how I will be marked present on asynchronous Fridays**
